

July 2015

Dear Friends,

Greetings from Pacifica Institute.

We hope you've had a wonderful July 4th weekend and Ramadan mubarak to all those celebrating. Here is our June newsletter highlighting our events and activities. Please visit our newly designed website at [www.pacificainstitute.org](http://www.pacificainstitute.org) We are working on enriching the content to widen your perspective in a more multicultural world with new additions such as The Blue Chair or the Resource Library and more. As we are excited to announce these efforts to serve you better, we will also ask you to be eager and patient as they are the works in progress. Pay attention to our updates on all Pacifica locations where a dynamic community on the west coast evolves every day.

June was a busy month and July is even becoming busier with lots of taste filled Ramadan iftar dinners which will be crowned with Eid celebrations on 17th of July. Do not hesitate to join our upcoming iftar dinners as a Pacifica family member on any date fits into your schedule listed on our website. What is Ramadan or iftar? Use this small [Ramadan guide](#) of Pacifica giving the highlights for the ones asking around you.

Please know that we always welcome your feedback in helping us to better serve the community. To learn more about the Pacifica's activities, please remember to like us on [Facebook](#) and follow us on [Twitter](#).

### **Greek Architects of Istanbul in the Era of Westernization in Los Angeles**

Saint Sophia Cathedral and Pacifica Institute collaborated for the exhibit of Greek Architects in Istanbul in the Era of Westernization. The

exhibit presents 104 different buildings, photos of window details, entrance doors, drawings, personages, and 57 architects whose names have been detected in various references but also on marble inscriptions on the buildings themselves.
