

Dear Friends,

Greetings from the Pacifica Institute. We hope you've made a great start into the fall season and have a "fruitful" harvest season!

In this issue you will find notes on the personal reflections of one of our participants who attended the Asia-Pacific trip with the Hizmet Movement. Also, find insight through the highlights of a meaningful panel concentrated on the role of Prophet Abraham in interfaith dialogue.

Finally, Pacifica Institute cordially invites you to come and join in on a special panel entitled, "Peacebuilding in Nigeria, Philippines, Cambodia and Bosnia-Herzegovina: The Contributions of the Hizmet Movement" at the Parliament of the World's Religions, which will be held this year in Salt Lake City, October 15-19.

Please know that we always welcome your feedback in helping us to better serve the community. To learn more about the Pacifica's activities, please remember to like us on [Facebook](#) and follow us on [Twitter](#).
